Company History

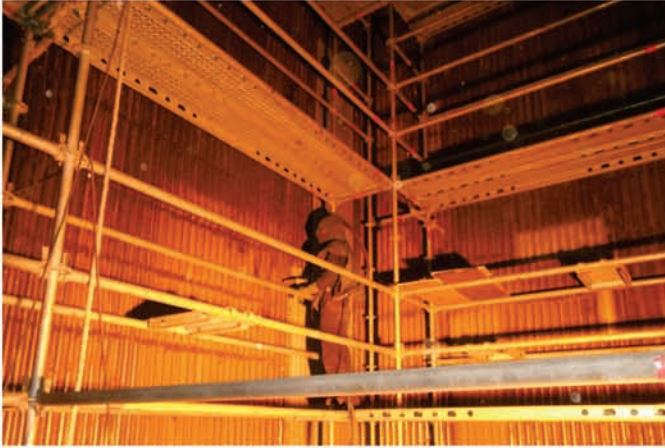

- 1992 Start-up of the company
- 1998 Commenced application in paper industry.
- 2002 Started application in steel plant components.
- 2004 Company status changed from partnership firm to Pvt. Ltd. Co.
Obtained ISO 9001-2008 certification.
- 2005 Commenced coatings for components in Chemical and Fertilizer Plants.
- 2006 Signed 10 years Technology Transfer agreement with Tocalo Co. Japan
Installed India's biggest Accoustic Spray Booth for Robotic Coating
(13 Mtr. x 4.5 Mtr. x 4.3 Mtr)
- 2008 Started In-situ coating application for CFBC & PF boiler.
First PF Boiler Coating Order recived from BHEL(end costumer PTPS,Panipat.)
First CFBC boiler order received from GIPCL, Surat.
- 2009 Repeat order received from GIPCL for coating on 125mw boiler.
- 2010 Establishment of Unit-II. (Built up shed area 25000 Sq. ft.).
Further orders received (60Sq mtr) from GIPCL.
- 2011 Started manufacturing steam turbine components with TS coating.
- 2013 Company Name Changed to "ATS TECHNO Pvt. Ltd.
Received first AFBC boiler Coating order from Aryan Paper.
First boiler coating order received from CPP of cement plant.
Obtained First coating order for chemical recovery boiler of paper mill
BALCO.(Vedanta) gave their first order for boiler tube coating.
- 2014 Received repeat orders from GIPCL Vedanta & Shree Cement.
(Dec) Proposed establishment of Advance Test Lab with facility for testing
Micro Hardness, Micro Structure, Porosity & Bond strength.

CFBC Boiler

ATS

Blasting on Boiler Tube

ARC Spray Coating on Top Roof

ARC Spray Coating on Water Wall Area

HVOF Coating by Dual Coating System

HVOF Coating on Water Wall Area

Checking of Coating Thickness

PF Boiler

The logo for ATS, consisting of the letters 'ATS' in a bold, white, serif font on a red rectangular background.

Operator Qualification

ARC Spray Coating on Burner Panel Tube

HVOF Coating on Burner Panel Tube

Coating on Top of Economizer

Coated Soot Blower Area

Jointly Inspection with Customer

AFBC & Recovery Boiler

ARC Spray by Dual Coating System

Coating Inspection by ATS

Coated Area

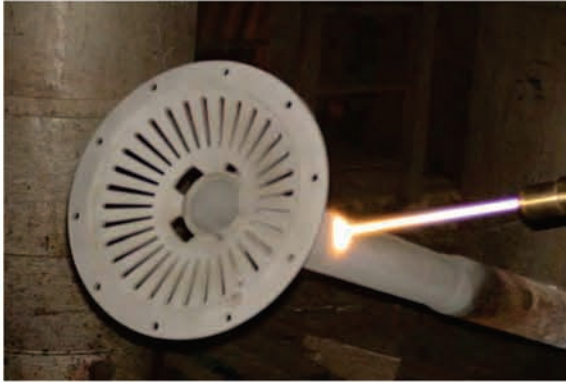

Coated Bottom of Bed Coil

Coated Cend Tube of AFBC Boiler

Repair of Rotating Component

ATS

Coating on Oil Nozzle fire

Coated Thermo Couples

Coating on Compressor Rotor

Coating on Steam Turbine Rotor

Coated LPT Inner Casing of Steam Turbine

Mfg. of Turbo Machinery Component

ATS

Mfg. & Coated Valve spindle of ST.

Mfg. & Coated Guide bush of ST.

Mfg. & Coated Piston Rod

Mfg. & Coated Valve Spindle Cone of ST.

Ceramic Coated Pump sleeve
